What is RAB?

RAB stands for Resident Advisory Board. The Resident Advisory Board is made up of residents from Public Housing and residents from Section 8. These residents reflect and represent the residents assisted by the Abilene Housing Authority. The role of this board is to assist and make recommendations regarding the development of the PHA plan and any significant amendment or modifications to the PHA Plan. We

want YOUR Input!

Resident Council

This is a council consisting of only residents from public housing. Unlike RAB, Resident Council is a tenant association geared towards the revitalization of public housing. The Resident Council exists to make public housing better. With a Resident Council, people can come together and get things done, get things changed!

Now, we all know that there are some things that cannot be changed. However, we are dedicated to making changes that will bring improvement.

American Heart Month

February is American Heart Month: Are You At Risk for Heart Disease?

During the month of February, Americans see the human heart as a symbol of Love. Everyone should show themselves some love and stay heart healthy for yourself and your loved ones. Cardiovascular disease (CVD)-including heart disease, stroke and high blood pressure is the number 1 killers of men and

women in the US. Many CVD deaths could be prevented through healthier habits, healthier living spaces and better management of high blood pressure and diabetes. You can control this thru diet, exercise, and proper medication just to name a few. As you take this new journey keep these things in mind..don't be overwhelmed, partner up with friends and family, don't

get discouraged and reward yourself.. Have fun.

In order to change we must be sick and tired of being sick and tired.

Renter's Insurance

As a resident of Public Housing, you may want to consider purchasing renter's insurance.

- ◆ Renter's insurance is a form of insurance that covers a policyholder's belongings against perils such as fire, theft, wind-storm, hail, explosion, vandalism, riots, and oth-

ers. It also provides personal liability coverage for damage the policyholder or dependents cause to third parties. It also provides additional living expenses, known as loss-of-use coverage, if a policy holder must

move while his or her dwelling is repaired. It also can include coverage for property improvements. Possessions can be covered for their replacement cost or the actual cash value that includes depreciation. (Insurance Information Institute)

Manager's Corner

Earl Williams Ceiling Project Phase I of the Earl Williams (EW) Ceiling Project began this month. Super Siding and Remodeling of Ft. Worth Texas is the contractor performing the work. The scope of the project includes replacing all of the insulation and ceilings in 38 apartments at EW. The 2nd phase is estimated to begin sometime in June.

This will include the remainder of the apartments at the EW Complex.

We sincerely appreciate everyone's cooperation as we strive to update and maintain our Public Housing units.
